Hello, Professors:

Your Play! Pokémon Store, **6243556-EA Collectibles**, is eligible for TCG, VG and GO League Challenges for the upcoming Championship Series Season starting on July 1st!

League Challenges are Play! Pokémon Store-exclusive tournaments that award Championship Points, giving your local community a place to earn their invitation to the World Championships. You can find additional information regarding League Challenges [here](#), and you can find the League Challenge guidelines [here](#).

Event Series Details

Event Sanctioning window open date	June 16th
Event Series open date	July 1st
Sanctioning window close date	September 14th
Series close date	September 30th
TCG League Challenges	1 per month
GO League Challenges	1 per month
VG League Challenges*	1 per month

REMINDERS:

- Any League Challenges for each quarterly season need to be sanctioned by the sanctioning window close date, approximately two weeks before Series Close Date (September 14th). Challenges can be run until the Series Close Date.
- *** Video Game League Challenges will still be paused for the months of July and August and will return as available events in September.**

How To Participate in League Challenges

You will be able to begin sanctioning your events as of **June 16th, 2025** and can hold these events starting **July 1st, 2025**. League Challenges will be listed as event options for you to schedule using **Play! Tools** and then run using our **Tournament Operations Manager (TOM)**. You can download the updated version of **TOM** and find additional information regarding how to schedule and report your tournaments on our [Tournament Software](#) page

Play! Pokémon Stores can now request to host their League Challenges at an alternate venue if the seat capacity at their store can't meet the demand. To do so, log in to the Retailer Portal, go to the "League Management" tab, select "Alternate Venues," fill out the request form, and submit it. More information is available [here](#).

Please be sure to sanction and complete your events to secure your player's Championship Points and participation, as well as report your regular monthly League play to maintain your eligibility for Play! Pokémon exclusive events!

If you have any additional questions regarding our tournament software or running events, please contact our customer support team [here](#) and they will be happy to assist you.

Thank you for being a part of the Play! Pokémon program!

Hey Johnny

We have to do it two weeks out so if we wanted to do the 14th we would have to sanction it tonight otherwise the 21 or the 28 can work for me I believe. Once you decide I can get a prof versed in TCG to come help out for that Monday and I will also look at getting a challenge set up for Go

Thanks
